

Donations Overview and Toolkit

You can raise money both online and offline. All gifts are 100 percent tax-deductible.

- **Online donations** are any donations made online through the runner's fundraising page. If someone wishes to support your effort online, please direct them to your personal fundraising page. Online gifts will be reflected on your fundraising page in real time. Donors will receive a tax-receipt via email immediately after their donation is processed online.
- **Offline donations** are any donations not made through the runner's fundraising page. All offline donations (personal checks made out to the Brigham and Women's Hospital) should be collected by the runner and sent to the Development Office at the address below, accompanied by one of the donor cover sheets on the next page.
- **Tracking** is required when mailing offline donations. FedEx, UPS, DHL, and USPS are all accepted. Please email team@bwh.harvard.edu the shipping carrier/tracking number as soon as you mail offline donations. If you have any questions regarding how to find tracking, please email our team at team@bwh.harvard.edu and we will assist you.
